Dear Rabbi,
Chavoua tov

You "made" a cheese with SERWAR on July 2009, for Mr Menahem Bendayan Vino Bueno International. We received you certificat Kosher, *non halav Israël*. This cheese was sold in France before Pessa'h as *Cacher le Pessa'h, halav Israël*, with "hashgacha" of Rabbi Moche Alloun.
Did you give to Rabbi Moche Alloun, or for Mr Menahem Bendayan or anybody else any information which could allow this "conversion" from *non halav Israël* to *halav Israël and Cacher le Pessa'h*?

We thank you for your answer.
